

Jackson Hole Area Travel Map

This map of Yellowstone National Park provides a comprehensive overview of its geography, including major roads, entrances, and key landmarks. The park is bordered by Gallatin National Forest to the north, Shoshone National Forest to the east, and Bridger-Teton National Forest to the south. The map highlights the four main entrances: North, Northeast, West, and South. Key roads shown include the Grand Loop Road (89), the West Entrance Road (20), and the South Entrance Road (89). Major landmarks such as Old Faithful, Lake Yellowstone, and the Grand Prismatic Spring are clearly marked. The map also indicates various services like camping, visitor services, and lodging. A legend at the bottom explains the symbols used for roads, distances, and services. A scale bar and a north arrow are also included for reference.

Legend:

- Camping
- Visitor Services
- Lodging
- Distance indicator (5 mi / 8 km)
- Gravel or Dirt Road
- Paved Road
- Day-Use (ask for more information)
